National Association for Olmsted Parks sets goals

The National Association for Olmsted Parks was born this July, 1980 with the following goals...

- ...To develop a national commitment to preserve, protect and maintain our nation's Olmsted Parks.
- ...To identify and enlist the support of Olmsted Park historians, park professionals and friends in all communities with parks designed by Olmsted or with an Olmstedian legacy.
- ...To locate, evaluate and insure preservation of and access to Olmstedian archival materials

the network of urban Parks and the National Association for Olmsted Parks.

Anyone interested in profit, membership organization dedicated to the appreciation of Frederick Law Olmsted's the American landscape as an open-space planning show 212-260-8503 or write to Avenue, New York, New York 10010.
